About Us

Avira Exports is a Pune-based import–export company dedicated to supplying premium-quality agricultural produce to markets across the globe. With a strong network of trusted farmers and suppliers, we ensure that every product we deliver meets international standards of freshness, hygiene, and consistency.

Built on the pillars of transparency, integrity, and sustainability, Avira Exports aims to create long-lasting partnerships with clients worldwide. Our streamlined processes, quality-driven approach, and commitment to timely delivery make us a reliable sourcing partner for businesses of all sizes.

We strive to bridge the gap between global demand and India’s finest produce—ensuring that every shipment reflects our promise of excellence.

Our Mission

To deliver pure, natural, and high-quality agricultural produce worldwide while supporting farmers with fair and sustainable opportunities.

Our Vision

To become a globally trusted source for premium agricultural exports.

Jaggery Product Range (Export Grade)

At Avira Exports, we bring the authentic taste of India to global markets with our naturally processed, chemical-free jaggery.

Every batch is crafted using traditional methods, ensuring purity, rich flavour, and consistent quality for industrial and commercial buyers worldwide.

From blocks to cubes to fine powders, our jaggery range is trusted by manufacturers, wholesalers, and distributors across the globe.
